Desktop Maestro With Product Key Download

The Cloud Drive Storage Service connects to the cloud storage service of your choice (Amazon, Google, Microsoft, Dropbox, etc.) and then redirects your applications requests to your data stored in the cloud storage. The service works via iSCSI as a Windows file share.

The service allows you to access cloud storage as if it were a physical disk drive, a virtual machine, a network file share or a local file system. Cloud Drive Storage Service Screenshots: Cloud Drive Storage Service Requirements: None. Cloud Drive Storage Service Homepage:
