What are some books that are good for beginners? ===== flignats I'd suggest both and pick one up because they are different. Python is generally simpler and easier to pick up. Rails/Ruby may seem more mature. ~~~ krat0sprakhar There are lots of books for Rails and Python, but I personally recommend Head First Rails and Head First Python books. There's also Head First Ruby which I haven't used personally but many fellow developer in our startup adopted it! Q: Can I install Php 5.4 in WAMP under XP? I want to run a script from Windows. I installed the WAMP package, but the phpinfo() function in the default 5.3 version shows that the server is running PHP 5.4. Is it possible to install WAMP with PHP 5.4? A:
